Dear Mr. Jackson, Ms. Thomas & Mr. Starfield:

Attached please find a letter from the Colorado Petroleum Council on behalf of our member companies expressing our concerns with section 114 enforcement actions in Region 8. This has been one of the top concerning issues for the oil and natural gas industry in our region and we very much appreciate the opportunity to share our views and concerns with you. We are looking forward to working with you on this and all other related issues. Please do not hesitate to contact me with any questions or additional information needed.
